Appointment Cancellation and No-Show Policy
Acknowledgement
(updated 12/17/2019)

Because quality care for our patients is our priority, Ogeechee OB-GYN requires review and acknowledgment of our policies below.

1. **Missed Appointments**-We understand that there are times when you must miss an appointment due to emergencies or unforeseen work or family obligations. However, when you do not call to cancel an appointment, you may be preventing another patient from receiving much needed treatment. We require 24-hour's advance notice if you are unable to keep a scheduled appointment. If an appointment is not cancelled at least 24 hours in advance, you will be charged a \$25.00 no-show fee. This fee is not covered by insurance or Medicaid and you will be responsible for paying the balance in full before you are able to be rescheduled. Note: After three (3) no-show/missed appointments, you may be dismissed from the practice.
2. **Scheduled Appointments**-We understand that delays may happen on the day of your scheduled appointment. Because we make every effort to keep the patients and providers on schedule, it is imperative that you arrive at your scheduled appointment time (or 15 minutes early to complete paperwork). Arriving late to your scheduled appointment causes the providers and timely patients to be pushed behind. If you arrive fifteen (15) minutes past your scheduled appointment time, we reserve the right to reschedule your appointment.
3. **Surgery Schedules**-Due to the large block of time needed for surgery, last minute cancellations can cause added expenses and additional work for the office. We require a ten (10) day advance notice if you decide to cancel your surgical procedure. **If you fail to cancel surgery within the required time frame, fail to show up for the scheduled procedure, or show up late for a scheduled procedure you will be charged a \$150.00 fee. This fee will not be covered by insurance or Medicaid and you will be responsible for paying the fee.** Showing up late for a scheduled surgery may result in your procedure being cancelled and it may only be rescheduled on a case by case basis. Missing a scheduled surgery may result in discharge from the practice.
4. **Account Balances**-We will require that patients who are uninsured/self-pay bring a minimum payment of \$250.00 for their first appointment. Due to insurance contracts, we must collect **ALL CO-PAYMENTS and COINSURANCE**. Payment will be collected **PRIOR** to services being rendered. **If you do not have your co-payment, your appointment will be rescheduled.** Accounts with balances will be collected at each appointment. Unpaid account balances greater than sixty (60) days will be turned over to an outside collection agency. **If your balance is over \$100.00, you must make payment arrangements prior to future appointments being made.**

PATIENT CARE / FINANCIAL AGREEMENT

As a courtesy to the patient, we attempt to obtain insurance information and verify benefits prior to service. However, it is ultimately the responsibility of the patient to understand her coverage benefits and restrictions. Certain services and/or diagnosis may not be covered by your health insurance policy. **IN THE EVENT OF DENIAL OR NON-COVERED SERVICES, THE PATIENT IS STILL FINANCIALLY RESPONSIBLE FOR ALL SERVICES RENDERED.** It is the responsibility of the patient to provide proof of insurance at the time of service. If you fail to provide accurate insurance data at the time of service, you will be responsible for any balance resulting from failure to provide this information. **FOR PATIENTS HAVING SECONDARY MEDICAID COVERAGE, YOU MAY STILL BE RESPONSIBLE FOR INSURANCE CO-PAYMENTS AND ANY BALANCE RESULTING FROM NON-COVERED SERVICES OR FAILURE TO PROVIDE ACCURATE INSURANCE INFORMATION AT THE TIME OF SERVICE.**

Many insurance companies have separate deductibles and benefits for surgical procedures and laboratory services. When a biopsy, blood work, or a pap smear is performed in the office, the specimen is sent to a separate laboratory facility for processing and examination. This charge is separate from our fees. Ogeechee Ob-Gyn, P.C. utilizes LabCorp as the primary reference lab for diagnostic testing. To assist the office in reporting lab results, the patient must address a follow-up card. With your authorization, results and follow-up instructions will be mailed to you. It is your responsibility to notify us if you do not receive either the card or a phone call regarding results within three weeks by calling 912-871-6206. Ogeechee Ob-Gyn, P.C. also utilizes East Georgia Regional Medical Center for diagnostic testing and procedures. **THE PATIENT IS RESPONSIBLE FOR ANY BALANCE RESULTING FROM NON-NETWORK RESTRICTIONS.** We believe that you are entitled to make informed decisions regarding your medical care. To assist you in making an informed decision, we hereby notify you that Dr. Benjamin T. Oldham has an ownership interest in East Georgia Regional Medical Center, which is a physician-owned hospital, pursuant to 42 C.F.R. * 489.3.

Patients are responsible for their co-payment and/or deductible at the time services are rendered. Co-payments not paid on the date of service will result in a \$10.00 service fee. **Uninsured patients must make a minimum payment of \$250.00 and sign a payment contract for any outstanding balance.** Monthly payments are required on all accounts to avoid collection action. We accept cash, check or credit card. There is a \$50.00 fee associated with returned checks. **PLEASE NOTE THAT IF ANY OUTSTANDING BALANCE IS FORWARDED TO OUR COLLECTION AGENCY, THE ACCOUNT WILL BEAR INTEREST IN ACCORDANCE WITH GEORGIA LAW AND A \$50.00 SERVICE CHARGE, REASONABLE ATTORNEY'S FEES, AND ALL COST TO COLLECT THE ACCOUNT.**

Appointments must be cancelled 24 hours in advance. A \$25.00 charge will be incurred for patients failing to keep their appointment or failing to cancel 24 hours in advance.

I have read and understand the above office practices. I agree to the practices described above as part of my patient care through Ogeechee Ob-Gyn, P.C.
